MODULE E

Club Management

C&A 101

MODULE E.1

CLUB MEMBERSHIP & HIRING

HIRING GUIDELINES

Elections

- There will be updated election procedures for this upcoming transition. Please keep an eye on your emails and MYLS notifications for when those are released
- Any club wanting to run an election needs to register the election with your AVP

Interviews

- Only undergraduate students registered at Wilfrid Laurier University are eligible to hold executive positions. Follow your Membership guidelines in the club's constitution for further restrictions;
- The hiring panel present for each interview must consist of a minimum 2 people;
- Members of the hiring panel should be neutral without any conflicts of interest (i.e. not applying for any roles or be biased toward or against applicants, etc.);
- If there aren't at least two members available to do this, the Clubs & Associations department should be contacted.

ESSENTIAL FORMS: RUBRIC

By managing your essential club forms it connects youir club directly with your student association/ SU

From the back end of the portal, you can easily access, submit, and manage all your club-related forms, including:

- Club Affilitions
- Grant and fund applications

Submit a form

1. Log in to your club portal.
2. From the left-hand menu, click Forms.
3. Select the form you'd like to submit.
    - If the form is part of a group of forms, start with the first form in the group.
4. Fill out the form. You can save it as a draft at any time and return to complete it later.
5. When you're ready, click Submit Form.
6. You'll receive a confirmation email once your submission has been sent.
7. Your student association will then review the form and notify you of its outcome: approved, rejected, or with notes attached.

Tracking your submissions

Once a form has been submitted, you can track its status in the portal:

1. From the left-hand menu, click Submissions.
2. You'll see a list of all your form submissions (from all years), sorted by category:
    a. Action required: Forms that were rejected and need changes. Click Resubmit to view comments, edit, and resubmit.
    b. Draft submissions: Forms you've started but haven't submitted yet. You can continue editing or delete them.
    c. All submissions: View all forms and filter by status (pending, approved, or rejected).

There will be essential forms that will need to be submitted throughout the year, if you have any questions please feel free to reach out to your AVP before submitting on the platform.
