MODULE H.1

Club Storage FAQS

If your club wants to take advantage of the Club Storage Room, please fill out the storage room sign-up form **HERE**.
Please note that due to limited availability, space is NOT GUARANTEED.

All club assets (event supplies, zap banners/posters, etc.) should be stored in this room. We also provide lockable storage space in this room for higher-value materials, please DO NOT RENT A LOCKER ON CAMPUS.

How do clubs access the club storage room?

1. An hour before you want to sign inventory in our out, fill out the Clubs & Associations Inventory Tracking form
2. Head to the **SU desk:**
    a. **Waterloo**: located at the 24 Lounge located on the 2nd floor of the Fred Nichols Campus Center (FNCC) Building
    b. **Brantford**: located at 1st Floor, Student Centre 103 Darling Street
3. Tell the staff at the desk that you have filled out the form and provide your One Card
4. Once they have confirmed that the form has been properly filled out and that you are able to access the storage room, they will give you a key and you can head down to the Storage Room
5. The clubs' storage room is located in the basement of the building (a staff member can walk you down the first time)

Who can access the clubs storage room?

- Presidents and Vice Presidents are allowed to sign out the storage room key (the SU Desk staff have a list of who can access the room)
- If you fill out the form but send a different person down, they must be on that list and fill out the form themselves
- **If you wish to send a club director or other non-President or Vice President club executive to sign inventory in or out, a president must fill out the form on their behalf.**

MODULE H.2

Club Storage FAQS

Where in the room do we store our inventory?

Once you have been approved to use the Club Storage Room, you will receive an email from your respective AVP with a bin number.
That bin is yours to store your inventory throughout the year

How do we label the shelves and track inventory?

You will be provided with an inventory sheet. At the top, put your club's full name and club number in the designated spots. On that sheet, please write down everything that you are storing in that bin and regularly check that everything is there.

What happens if we lose the access key?

Your club is responsible for returning the key on time, and any loss or damage to the key will be charged to the club's account

Please ensure that the key and inventory is returned before noon the following business day. Reminder that using the space is a privilege and will be revoked should your club not be adhering to the aforementioned guidelines.
